**"One Health Day- November 2020"**

**Theme: "BUILDING NEXT GENERATION STUDENT ONE HEALTH LEADERS FOR HEALTHIER PLANET"**

**Objective:** Our objective is to unite students of diverse professional groups, to think outside of the box. We are organizing different events that addresses shared health threats at the human-animal-environment interface so as to orient students group of diverse discipline towards thinking about One Health approach. Our slogan, "One Health for harmony among Man, Animal and Nature-" sums up this idea
